Easy Organizer Suite™

How To Upgrade Easy Organizer Suite™ Manually on Windows 7

To upgrade Easy Organizer Suite[™] manually on Windows 7, follow these instructions:

1. If Easy Organizer Suite[™] is open, close it by clicking on the red X in the upper right corner of the window.

2. Download the upgrade file. Click <u>here</u> to download the upgrade file. The File Download window will be displayed, click on the Save As button.

If your anti-virus software does not allow you to download the file or you have any troubles downloading the file from the Easy Organizer Suite website, please click <u>here</u> to download the file from the Dropbox location.

Windo	ows Internet Explorer
