## Easy Organizer Suite™

## How To Update Easy Organizer Suite™ Manually on Windows Vista

To update Easy Organizer Suite<sup>™</sup> manually on Windows Vista, follow these instructions:

1. If Easy Organizer Suite<sup>™</sup> is open, close it by clicking on the red X in the upper right corner of the window.

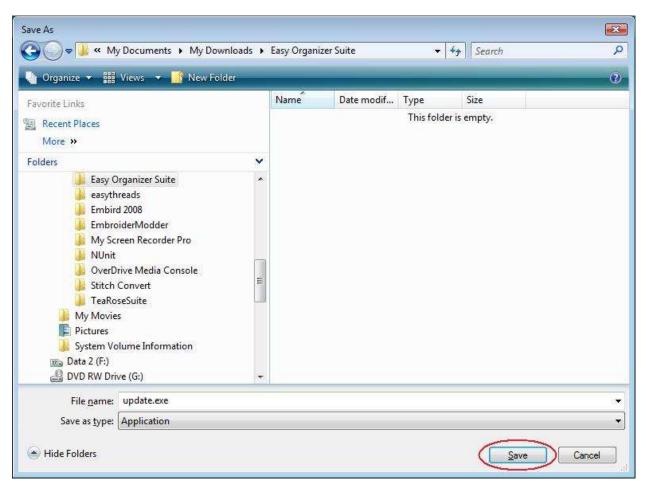

2. Download the update file. Click <u>here</u> to download the update file. The File Download window will be displayed, click on the Save button.

If your anti-virus software does not allow you to download the file or you have any troubles downloading the file from the Easy Organizer Suite website, please click <u>here</u> to download the file from the Dropbox location.

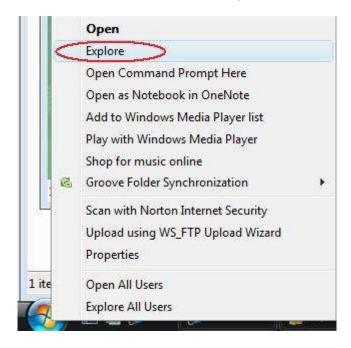

3. Select a clean folder (with no other files in it) to save the file in, and click on the Save button.

4. The file will download. This may take several minutes.

۵	Ø
Estimated time left: Download to:	www.easyorganizersuite.com 3 min 9 sec (391KB of 21.8MB copied) E:\My Documents\My D\update.exe 116KB/Sec
	box when download completes

5. Right click on the Start button in the bottom left corner of your screen and select Explore.

6. Navigate to the directory where you saved the downloaded file. Right click on the file called update.zip and select Extract All.
